SCHEDULE 1

Interpretation

"Electric Vehicle" means a motor vehicle which is propelled by electric energy (battery-only powered vehicle) from rechargeable batteries. The batteries provide the power to propel the vehicle and to power the lights and all accessories within the vehicle. A plug-in hybrid vehicle which requires charging is also included in this category;

"Electric Vehicle Charging point" means a Parking Place designated for use by an electric vehicle whilst charging its power supply and is still subject to the Charging Hours;
